

Geospatial Data Availability and Pricing Schedule

Geospatial data and maps are available at:
 Lincoln County Environmental Department
 Geographical Information Services Office
 PO Box 66, 221 N. Wallace Ave.
 Ivanhoe, MN 56142
 (507) 694-1344
 (507) 694-1341 (fax)

Access to some of the County's geospatial data requires signing of a License Agreement prior to receiving it and, in many cases, a fee may also be required. If your request requires a license agreement, then it can be obtained at our office or via the GIS Website <<http://gis.co.lincoln.mn.us/>>.

The following is a listing of geospatial data available from the County:

<u>Data Set</u>	<u>Cost</u>
Parcels	\$0.03 per parcel (minimum charge \$1.00)
Parcels Database (AS400) - county - municipalities	\$10.00 each
Boundaries - county - sections - townships - municipalities	\$1.00 each
Water Features - lakes - streams - ditches - NWI wetlands - FEMA floodways - Watershed boundaries	\$1.00 each \$5.00 each for Ditches & Watershed boundaries
School Districts	\$1.00
Roads - E911 roads - MNDOT roads	\$1.00 each
County Created Data	\$5.00 each
Outside Source Data	\$1.00 each

- * Contact Lincoln County Environmental Office for the metadata for the characteristics of available data.
- * A data delivery charge of \$25.00 will be added to each request serviced by our staff for handling and reproduction.
- * Requests for custom data extract, data reformatting, or services not described here are charged at \$50.00 per hour.

Data delivery can be facilitated through multiple methods. See the chart below for specifics.

<u>Data Delivery</u>	<u>Cost</u>
Data on CD via mail (700MB)	\$3.00
Data on DVD via ma (1.46GB)	\$5.00
Data via E-mail (size unspecified)	<i>Free</i>
Maps via E-mail (PDF format)	<i>Free</i>
Maps via mail	\$3.00 - \$8.00 (depends on size)
+ shipping & handling	(depends on postage costs)

Maps can be printed from existing data at the following fees (see chart):

<u>Map Format Size</u>	<u>Cost</u>
8x10 up to 11x17	\$2.50
17x22 up to 34x44	\$5.00
34x44 and larger	\$10.00

Note: The funds collected from the distribution of data are used to develop and maintain the County's digital geospatial data.
